

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2000-489-C - ORDER NO. 2003-569

SEPTEMBER 17, 2003

IN RE: Application of T-NETIX Internet Services, Inc.) ORDER CANCELLING
for a Certificate of Public Convenience and) CERTIFICATE AND
Necessity to Operate as a Reseller of) WITHDRAWING
Interexchange Telecommunications Services) TARIFF
within the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of T-NETIX Internet Services, Inc. ("T-NETIX" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that the Commission granted T-NETIX authority to operate as a reseller of interexchange telecommunications services in South Carolina by Order No. 2001-544, dated June 7, 2001.

T-NETIX, by letter dated September 3, 2003 from the Company's consultant, advised the Commission that T-NETIX was requesting immediate cancellation of its Certificate to operate as a reseller of interexchange telecommunications services within the State of South Carolina and withdrawal of the Company's tariff. T-NETIX asserts in its request that the Company has never operated in South Carolina; therefore, there will be no customer impact associated with approval of the Company's request.

T-NETIX adds as a note in its request that two affiliated companies of T-NETIX, T-NETIX, Inc. and T-NETIX Telecommunications Services, Inc., are also certified in

South Carolina, but there is no change in the regulatory status of these two companies being requested with the instant filing.

As T-NETIX, by the Company's own acknowledgement, is not providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that T-NETIX's Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina should be cancelled, and the Company's tariff withdrawn.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina authorized by Order No. 2001-544, dated June 7, 2001, issued in the instant docket to T-NETIX Internet Services, Inc. is hereby cancelled, and the Company's tariff is hereby withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.
